

Bibliography

For those of you who are interested in delving into the primary research on the Monarch, the following bibliography provides the sources that I consulted for this book. If you are interested in learning more but would prefer less academic emphasis, then I suggest you consult my previous work, *A World for Butterflies*, and the books that follow.

Books

- Ackery, P. R. and Vane-Wright, R. I. *Milkweed Butterflies: Their Cladistics and Biology*. Ithaca: British Museum (Natural History)/Cornell University Press, 1984.
- Douglas, M. M. *The Lives of Butterflies*. Ann Arbor: University of Michigan Press, 1986.
- Halpern, S. *Four Wings and a Prayer: Caught in the Mystery of the Monarch Butterfly*. New York: Pantheon Books, 2001.
- Malcolm, S. B. and Zalucki, M. P. (ed.) *Biology and Conservation of the Monarch Butterfly*. Science Series Vol. 38. Los Angeles: Natural History Museum of Los Angeles County, 1993
- New, T. R. *Butterfly Conservation*. Melbourne: Oxford University Press, 1991.
- Pyle, R. M. *Chasing Monarchs: Migrating With the Butterflies of Passage*. New York: Houghton-Mifflin, 1999.
- Rea, B., Oberhauser, K. and Quinn, M. A. *Milkweed, Monarchs and More: a Field Guide to the Invertebrate Community in the Milkweed Patch*. Glenshaw: Bas Relief Publishing Group, 2003
- Schappert, P. J. *A World for Butterflies: Their Lives, Behavior and Future*. Toronto: Key Porter Books, 2001.
- Urquhart, F. A. *The Monarch Butterfly: International Traveler*. Chicago: Nelson-Hall, Inc., 1987.
